etransfers had a miscommunication about password thus had many varieties of passwords. Clarifying that we prefer the password of "Raptors" and that with fundraising 1 transfer per student be sent.

Secretary Report: Coupon book fundraiser is complete. \$1100 in sales. Prizes approved as it had been communicated out that prizes were being awarded to top class seller and overall top seller. Question about whether prizes for incentive is worthwhile as it cuts into profits and fundraising efforts. Determined that this will be communicated better in the future whether we want to spend while we are trying to earn.
